

Hudson Light Up Holiday Celebration

Display Discharge Location: Veterans Way Park

Grab your family and get out early to support your local merchants! The afternoon will conclude with a Magical Holiday Fireworks Display. Community members will be able to view from their residences or cars. Optimal viewing areas will be from the downtown merchant's parking lots or homes in the immediate area. Test shots will be fired at 5:30pm and 5:45pm, in case you have an obstructed view and want to correct it. Show will start at 6:00pm sharp.
