COMMEMORATIVE DONATION PROGRAM

For the Downtown District, Greens, Cemetery and Parks

The City of Hudson invites you to participate in our Commemorative Donation Program. The program provides an opportunity to commemorate a special person or occasion with the placement of a memorial that enhances our community. To participate in the program a fee ranging from \$200 – \$2,000 made payable to The City of Hudson will be collected depending on the memorial and plaque/paver options selected. The fee covers the cost of the memorial, the commemorative plaque, delivery and installation. The City will contact you to discuss memorial, plaque and location options.
